

Welcome to Small Business Saturday in Fredericktown, MO! The town is filled with special pop up small vendor shops located at various locations. See the list inside this brochure and on the neighboring page of all the stores participating. Some stores are even offering special deals 11/28/20 only!

Also, be sure to grab some food from the Brewen Processing & Catering booth on Court Square or one our many delicious restaurants like The Depot Cafe, Lalo's Mexican Grill and more. The Pig BBG is offering a carabiner elite keychain with purchase of any sandwich and drink.

Consider locally shopping for all your holiday gifts, while supporting your community. Gift certificates from any of these stores would make a great gift for any hard to shop for person on your list. Did you know for every \$1 you spend at a local business 67 cents stays in the community.

Thank You For Supporting Your Community!
