

TEAM UP to CLEAN UP WEEK

3 WAYS TO PARTICIPATE

1. JOIN OR FORM A TEAM

Gather your coworkers, church group, or family. You can choose a specific project from our list (like painting fire hydrants or mulching Court Square) or ask us to assign you one that fits your group size.

2. SIGN UP AS AN INDIVIDUAL

You do not need a group to help. Sign up alone and we will pair you with a local project or a friendly team. It is a great way to meet fellow residents.

3. WORK ON YOUR OWN

Property Businesses and homeowners are encouraged to use this day to spruce up their own storefronts or yards. Let us know you are participating so we can celebrate your hard work as part of the town-wide effort.
